

1. ISSCC is willing to conduct examinations on the request of individual candidate(s) normally under the following arrangements:

- (a) the examining body or the candidate(s) concerned will be responsible for the expenses incurred in the holding the examinations, the expense will include the payment to invigilators, postage, rental of examination venue, stationery and administrative costs;
- (b) the candidate(s) concerned should contact the Center and supply information concerning the name of the examining body, the nature of examination and the examination date/time;
- (c) on verbal agreement to conduct the examination given by the Center, the candidate(s) concerned should contact the examining body directly and arrange for written request for the conduct of the examination together with the relevant details to be sent by the examining body to the Center;
- (d) the examining body should send to the Center question papers and stationery well before the examination; the Center will be responsible for the safe custody of the examination papers;
- (e) the Center will hire examination venue, appoint invigilators, and deliver question papers and examination materials to the venue, the examination will be conducted in accordance with the regulations and instructions of the examining body; and
- (f) the Center will return by courier / register air mail all worked scripts to the examining body for marking.

2. The Center will need to obtain approval from the examining body to conduct the examinations. To allow time for processing, the candidate(s) should fill out the form (A1) and submit to the Center at least 3 weeks before the first day of the proposed examination.

3. Scale of Charges

4. The Center's scale of charges for 2003/2004 is as follows:

No of candidate(s) entered	Hourly charges* per candidate
1-3	HK\$350
4-10	HK\$265
11 and above	HK\$220

The rates are subject to change annual review and change will normally effective on first date of September.
